
WABASH CLASS OF 2005

February 2020 | Winter Newsletter

'05ers,

I apologize for the radio silence. In 2018 I enrolled in a Ph.D. program that has quickly consumed all the free time I have outside of my office. I anticipate defending my dissertation and graduating in 2022. Until then, I will do my best to keep you informed about all things Wabash. At the end of this newsletter, I have included some updates from our classmates. Yeah, they were supposed to go out last year. Better late than never?

Big Bash registration for our 15th Reunion is now open online. This year's Big Bash is the weekend of June 5-7, 2020, so make plans to attend and catch up with our classmates. Go to wabash.edu/bigbash to register, see the schedule, and find out who's coming. If you RSVP by Feb. 29, you'll save money on the registration fee. Each year, the Alumni Office tells class agents that those who attend inevitably say, "I had a great time back on campus, but I wish more of my classmates would have shown up!" Don't miss this opportunity to reunite with our classmates!

WAF!
